PROFESSIONAL SUMMARY

Digital Transformation and Delivery Leader with 20+ years of experience leading end-to-end software and digital initiatives across LATAM and North America. Proven track record managing cross-functional teams, delivery governance, financial performance, and strategic programs aligned with business objectives and operational excellence.

PROFESIONAL EXPERIENCE

Siemens DISW Mexico – Delivery Manager 06/'18 - current

Achievements

- Delivered multi-country digital transformation programs with 95%+ on time execution.

Main Activities:

- Led digitalization initiatives in manufacturing environments, IIoT platforms and production systems to improve shopfloor performance, operational efficiency, and value. Accountable for P&L, revenue and delivery performance.
- Managed the end-to-end lifecycle of digitalization projects, from scope definition to deployment, ensuring alignment with production, operational, and quality requirements.
- Identified process improvement opportunities through digitalization, automation, and data-driven insights across production and plant operations.
- Supported implementation of industrial digital solutions, ensuring integration with production equipment, shopfloor systems, and manufacturing processes.
- Led end-to-end software and digital solution delivery across multi-country environments, ensuring alignment with business objectives, timelines, quality, and operational KPIs.

Siemens AG IT – Project Manager Sr. 08/'14 – 06/'18

- Led enterprise IT and infrastructure initiatives supporting operations and production systems across LATAM.
- Directed SAP programs include implementation, archiving, and system integration aligned with production and business operations.
- Presented project execution, risks, and performance to CIO, CFO, and executive steering committees.
- Collaborated with QA and cross-functional teams to ensure testing governance, delivery quality, and successful execution

Earlier Experiences:

IBM - Program Manager - 07/'11- 10/'13.

Caeli – Delivery manager - 03/'10- 07/'12.

Nextel – Project Manager – 06/'09 – 03/'10.
